The Bacup Townscape Heritage Initiative is a £2 million project funded by the Heritage Lottery Fund and includes property improvements, public realm enhancement, skills training and community engagement events. It is a **5 year regeneration project** which focus’ on Bacup’s unique built and cultural heritage. See the work so far and the exciting plans for the street scene and next phase for the shop fronts.

**The story so far...**

The first phase of this project saw over £400k of work to the Pioneer Building and the Clock Tower on Rochdale Road and the RSPCA Building at 33 St James Street.

Investment into the Pioneer Building saw new shop fronts installed and new sash windows fitted. **Before and After**

The **Clock Tower** has gone through extensive, detailed restoration and stone repair work to bring it back into use after more than 50 years. **Before and After**

The **RSPCA Building** has had work on joist repairs, a new shop front fitted, new sash windows installed and the chimney pots restored to the prominent chimney stack. **Before and After**

Come see the work so far and the exciting plans for the next phase of Bacup Townscape Heritage Initiative.

Plans will be available at [www.bacupthi.org.uk](http://www.bacupthi.org.uk) from 5th December.
