

# Spinning Point

Join us at one of our information sessions to find out all about the new bus station development for Rawtenstall.

**Monday 30th Jan 12noon – 2pm**

**Tuesday 31st Jan 4-6pm**

**Wednesday 1st Feb 4-6pm**

**Wednesday 8th Feb 10am-12noon**

**Thursday 9th Feb 2-4pm**

**Friday 10th Feb 12noon-2pm**

Hoardings will shortly be going up around the development site and so we wanted to mark this work with some public information sessions on the project. Further sessions are planned for the following week (date to be confirmed in next week's Rossendale Free Press).

At the Information Sessions people will be able to see plan details, information on the design, a timeline of the development and see how the project team will be keeping everyone up to date throughout the development.

## PROJECT SO FAR

The RTB Partnership were granted £3.5m from Lancashire County Council to deliver a new bus station for Rawtenstall, refurbishment of the Old Town Hall and improvement to highways, parking and open spaces this was supported with a further £1.9m funding from the Lancashire Local Enterprise Partnership and £900k from Rossendale Council's Capital projects funding. The RTB Partnership has heavily consulted on plans for the bus station and the wider redevelopment of Rawtenstall over the last few years.

Consultation on future phases on the project will be conducted in March 2017.
